DUNSTON FA TROPHY - MATCH PREVIEW

It's back to the FA Trophy for the Dabbers on Saturday as we host Dunston, who are making a 388-mile round trip to the Swansway Stadium for this Second Qualifying Round tie.

What Have I Dunston Deserve This?

Dunston, based in Gateshead and a 10-minute drive from St James' Park in the North East, are in the NPL East, the same division as Liversedge, our opponents in the previous round.

But they are higher in that league, sitting 7th on 10 points, a place below their finishing position last season. They have defeated the current league leaders Belper in recent weeks.

However, in all competitions they are on a run of 3 defeats in 4 games. They were knocked out of the FA Cup by Ashton United and defeated Ashington in the previous round of the Trophy before losing to the very same opponent in their next league game 3-1 last weekend.

They have good pedigree in the FA Trophy; last season they knocked out Bamber Bridge on the way to the Third Qualifying Round for the third year in a row.

And like the Dabbers, their greatest day came when they won the FA Vase, doing so in 2012 at Wembley.

Players to Watch

Sado Djalo and Jordan Lamb both have 2 goals in their last 2 games. Their top scorer and player of the month for August is Dale Pearson but he is out injured; others are stepping up in his absence. They also have 4 different players called Jack, time will tell if they are Jacks of all trades.

Match Information

The pre-match entertainment starts in earnest in the Atherton Lounge and bar area with our media partners The Cat from 1.45pm – Match Tickets are available online through our website and also on the gate.

BANBURY UNITED – MATCH REPORT

Nantwich Town overcame a 45-place gap to upset Banbury United 2-1 to move on in the FA Cup.

A performance that was described by manager Paul Carden afterwards as 'outstanding to a man', the Dabbers started on the front foot and stayed there throughout. Callum Saunders might have given them the lead after just 5 minutes, cutting inside wonderfully and drawing a fine save from Banbury keeper Jack Harding.

But it didn't take long for Nantwich to strike, scoring after 9 minutes. Steven Hewitt floated in a teasing free kick that was met ahead of the keeper by Troy Bourne to nod in. It was almost a carbon copy of Saunders' first goal against Liversedge last weekend, the Puritans perhaps not doing their homework.

The 2 teams traded a couple of simple shots on target, before Banbury's danger man Ken Charles had his first pair of openings, the second was blazed over the cross bar from a good position.

With AJ Leitch-Smith not available, another forward blow came for Nantwich when Saunders was forced off after less than half an hour with an apparent knee injury, Kai Evans replacing him.

Connor Heath flicked a header wide before Bourne was found again by Hewitt in acres of space, this time he could only head straight at Harding.

Banbury did grow back into it and had a couple more openings before the break, Temitope Obadeyi struck into the side netting and then Louis Hall fired over, like Charles he was in a decent position.

In the second half, it got tighter with Carden subbing the booked Connor Heath for Joel Connolly, a change to shore things up in midfield.

But it was Connolly who spurned a massive chance to make it 2-0 just 5 minutes into the half. Evans did great things on the left to work some space and squared to Connolly who put it over the bar with the goal at his mercy.

Banbury then got a big chance to level, Obadeyi won a 50/50 with Nathan Okome and was in on goal, but Scott Moloney stood strong and saved well with his feet.

Then another big moment. Hewitt struck a fine free kick that looked goal bound were it not for a superb clawing save from Harding to keep it out. Then Connolly headed in on the rebound but was flagged offside from the initial free kick. Replays, including from supporters stood at pitchside, showed that Joel was onside when the free kick was taken.

BANBURY UNITED – MATCH REPORT

Byron Harrison and Aidan Elliott-Wheeler spurned chances for either side, but Harrison wasn't done.

As the visitors piled forward, the Dabbers broke through some great skill from Evans, played it to Connolly and he found Harrison who took a touch and tucked in the second. It was 83 minutes and it looked like game over.

But Banbury got a lifeline just 2 minutes later as Bourne turned a corner unluckily into his own net.

That set up a tense finish, Harding made another good save to deny a third before Banbury dramatically saw a goal ruled out for a foul throw, the assistant ref indicating the player had planted his foot on the pitch while taking.

But Nantwich held on to upset a side 2 divisions higher and move into the Third Qualifying Round for the first time in 3 years.

The
Daniel Wilkinson
Foundation

*Providing Screening and Defibrillators to
prevent Sudden Cardiac Death in the young*

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.
